Patient Portal

We are pleased that you have chosen to use our Patient Portal to communicate in a secure and confidential manner with your healthcare team.

Taking just a few minutes to Register will give you access to valuable information and services provided in a secure and confidential manner. Once registered and logged on you will be able to:

- * Exchange messages with our practice**
- * Request appointments**
- * Research health topics**
- * Review Personal Health Information**
- * Complete and update medical forms**
- * Update your profile and contact information**

*** Please provide a valid e-mail address in order to access your medical information.**

An email invitation will be sent to each patient to verify their portal account using their Account number. You will have a link that you can click on to activate your personal secure portal account. If you receive this e-mail and do not wish to have the portal account you can delete the e-mail.
